City of North Las Vegas cancels large City-run events

North Las Vegas, Nevada — Based on recommendations outlined by the World Health Organization and the Centers for Disease Control and Prevention, the City of North Las Vegas is cancelling all large, City-run gatherings and events, effective immediately.

While the risk to the public remains low, out of an abundance of caution, we have decided to postpone such gatherings until further notice.

This does not apply to day-to-day operations at City recreation facilities and libraries; however, we ask anyone exhibiting flu-like symptoms to remain home.

City leadership will continue to monitor the overall situation, in cooperation with the Southern Nevada Health District and our local, state and federal partners.
